Re: Rice Drilling B LLC Grecoe 11H and 12H

Dear Sir or Madam,

CONSOL Pennsylvania Coal Company, LLC (CPCC) has received notice for two (2) additional wells on the Grecoe Pad and has evaluated its location in the Bailey Mine Plan. At this time, the COAL OPERATOR does not object to the drilling of the wells listed above, at the NAD 83 coordinates provided in the applications so long as Rice Drilling B LLC complies with the Joint Cooperation Agreement dated 4-19-17 between Rice Drilling B LLC and CPCC.

- Grecoe 11H - Lat. 39° 55' 12.65", Long. 80° 22' 48.52"
- Grecoe 12H - Lat. 39° 55' 12.70", Long. 80° 22' 48.70"

Please provide a notice of completion after the wells are drilled.

Sincerely,

A handwritten signature in black ink, appearing to read 'Casey V. Saunders'.
