Tiffany,

One more item we discussed has to do with Manufacturers Light and Heat Company. Since the well is abandoned and the company is no longer in business, their name should not appear on the form. If you agree and with your consent, I could make the correction for you. Thank you.

Hi Melissa!

The tracking information is attached. The return receipt never made it back to me, but the tracking information shows that it was delivered. Additionally, I have spoken with Mr. Keller and was able to secure an access agreement with him after the application was submitted and I have included that for your reference as well.

Thank you,

Hi Tiffany,

Could you provide proof of notification for the surface landowner shown on the Order?  
Due to the age of the original lease, we need to confirm they were notified of the plugging.

Any questions, please reach out to me.

Thank you.
