RE: Proposed Alternate Method of Plugging a Well  
JP Smith 3H  
Permit Number 129-28981  
South Huntingdon Township, Westmoreland County, Pennsylvania

Dear DEP Recipient,

Please find attached the following documentation:

- Completed Form 8000-PM-OOGM0024 "Proposed Alternate Method of Plugging a Well"
- Proof of notification of coal related parties

Please note that this is the first of three alternate method requests that will be submitted on this date for this well. Each alternate method request should be processed as a separate authorization ID.

If you have any questions or concerns regarding this application, please feel free to contact me using one of the methods below.

Best Regards,

A handwritten signature in blue ink, appearing to read 'J. Zavatchan'.

Good morning, Daniel:

Please finalize processing of the appended alt methods recommended for approval.

Note: for recording keep I would suggest this email chain be kept in the well file.

Justin/Matt: If an approved **alt method is not utilized by the operator**, please follow up with the **operator to withdraw the unused alt method** to ensure that DEP records are appropriately updated and the CoWP reflects how the well was plugged.

Good morning, Justin.

Attached are three alt methods for your review. EQT sent these over for five wells and is asking for three authorizations for each one. I will have 12 more to send over to you today. Please let me know if you need anything else or if this should be done any differently. Thank you.

Dan, please process this alt meth.

Zavatchan sent a bunch of these for five different wells on the same farm, I'm going to be sending all of them to you, FYI.

Thanks.

DEP Recipient:

Attached are three Proposed Alternate Method or Material for Casing, Plugging, Venting or Equipping a Well for the subject well. Plugging is tentatively scheduled to begin on June 6, 2026 at this site.

Please process each alternate method as a unique authorization.

Please let me know if you have any questions or concerns regarding these requests.
