RE: Proposed Alternate Method of Plugging a Well
FL Wall 3862
Permit Number 003-00734
Forward Township, Allegheny County, Pennsylvania

Dear DEP Recipient,

Please find attached the following documentation:

- Completed Form 8000-PM-OOGM0024 "Proposed Alternate Method of Plugging a Well"
- Proof of notification of coal related parties

Plugging is tentatively scheduled to begin in 2027, but the plugging date may be moved up based on operational necessity.

This well is situated in the protective boundary of the Bunola Storage Field. Equitrans, LP is the operator of both the storage field and the well being plugged; therefore proof of notification of Equitrans, LP has not been included with this request.

Please note that this is the first of three alternate method requests being submitted for this well today. Please process each request as a unique authorization.

If you have any questions or concerns regarding this application, please feel free to contact me using one of the methods below.

Best Regards,
