

WELL REGISTRATION FORM

Supply All Available Information

To be used for registering well(s) not previously permitted.

Under the Oil and Gas Act, Act 223, property owners are exempt from the bonding and plugging requirements and the registration fee for registering abandoned wells where the owner of the surface real property on which the abandoned well(s) is located did not participate in or incur costs in the drilling or extraction operation of the abandoned well(s) and had no right of control over the drilling or extraction operation of the abandoned well(s). Check here if wells are being registered by: Well operator Surface real property owner
